## Funding for Players

Acceptance into the Encounter Lutheran College Elite Basketball Development Program (EBDP) in a particular year means that a student has been granted significant extra privileges by the College to cover specialist sport training sessions, venue hire costs, transport to and from training, access to sport science services including fitness advisors, performance analysts, physiotherapist screening, sports psychology advice and diet/nutrition staff.

## Annual Fees

As participation in the Encounter Lutheran College EBDP is voluntary, not all costs will be covered within the College's tuition fees. An annual fee is set by the College and contributes to costs associated with the program and covers items such as excursions, guest speakers, celebrations, coaches and equipment use. Some excursions will incur additional costs, especially where accommodation and transport are required. Parents will be given advanced notice of major excursions to assist with planning and budgeting.

The basic fee is \$350- per year. This amount is reviewed annually and parents will be informed of any likely changes.

Academic records for the previous year are reviewed with particular attention given to student's conduct, effort and participation comments.
7. If successful at both review of academic reports and coach reference, a **school-based interview** may be required.
