

2020 Encounter Equestrian Team Expression of Interest

Encounter Lutheran College is looking for expressions of interest from any students who would like to be part of a 2020 Encounter Equestrian Team. This would be open to students who own or have access to a horse to ride and are committed to competing in a certain number of interschool events throughout the year. This is currently in the planning stages, so we do not know what the details of such a team will be yet. This expression of interest will allow interested families to be involved in the discussions and help with planning. Interschool registrations are likely to open and close in the school holidays, so we would like people to think about their involvement, and register their interest so we can keep in touch about this.

Please use this form to indicate your interest in the team and we will add you to the contact list for further discussions.
