Dear Parents/Carers,

Thank you for your patience in recent weeks when parents having restricted access to school grounds has contributed to traffic congestion and also some tricky times with children finding this transition difficult. We are grateful for your cooperation.

As of next Monday (16th August) we will dip our toe into the water a little further and allow parents to return to school grounds. Parents must continue wearing masks on site, must leave promptly at the end of the day and are not to enter classrooms. Sadly these arrangements will only be able to continue if all families adhere to these requests.

To aid with all of our efforts, we ask that parents turn left at the end of our driveway to ease traffic congestion. Also, until now we have asked for children who are Year 4 and above to use the kiss n drop area above the back car park (near the Kondole). All families are now invited to use either kiss n drop; simply use the one most convenient for you and your children. Both of these areas have a teacher on duty before and after school and we hope this may also help to ease traffic, especially after school.

Finally, it is with sadness that I believe it necessary to cancel our Grandparents' /Grandfriends' Day, scheduled for later this term. With limits on indoor numbers and our desire to protect the health of all our community members, we will instead look to 2022 when we truly hope we can celebrate once again this most special of days on our Encounter calendar.

Thank you again for your patience and support as we navigate the weeks and months ahead.

Yours sincerely
