STEP 1

Select Parent Sign In

Select the 'Parent Sign In' option for features available specifically to Encounter Parents (e.g. Absentees).

Note: 'Guest Access' does not require a username or password, but has limited access to some features (e.g. the College calendar).

STEP 2

Choose a Sign In option

Enter your email address registered with Encounter, together with your password.

If you have forgotten your password, click on the link: 'I forgot my password', and a password email will be sent to you.

Other Sign In Options Available

If you use the same email address for Encounter as with other provider logins (e.g. Apple, Google, Facebook, Microsoft), click on one of these options for a simple sign in.

Email One-Time Token

if you cannot remember your password, you can also select the 'Email One-Time Token' option, which will email you a code to enter.
